DEMOCRATIC MEETING

JEFFERSON COUNTY

AT JEFFERSONTOWN, KY., ON SATURDAY, DEC. 4TH!

There will be a meeting of the Democracy of Jefferson County at Jeffersontown, Ky., effect, that the defendants and James Stone had on Saturday, Dec. 4th. The object of this attacked and beaten him very badly, and that meeting is to appoint delegates to the Con- from them he had received his "death blow." vention at Frankfort on the 8th of January. A full attendance is requested.

dignant at Horace Greeley, editor of the New York Tribune, because he did not give them violence done him in breaking his ribs had brought on the disease of which he died. test. They charge that Greeley was for suc-cess, whilst they were for principle. The said duced by the defense, going to show that the cess, and Foreign and Domestic Fructs, of every spinon.

will enopty PYRAMID's of every kind, manured of the best materials, which will be sent to cess, whilst they were for principle. The said Greeley admits that he was after success, in favoring anti-Lecompton Democrats in New favoring anti-Lecompton Democrats in New York and New Jersey. He has secured his object, and is satisfied; he says the Republication of the three physicians was not satisfactory, and that the deceased had taken violent exercise after the time it was alleged to the object, and is satisfied; he says the Republication of the three physicians was not satisfactory, and that the deceased had taken violent exercise after the time it was alleged to the object, and is satisfied; he says the Republication of the three physicians was not satisfactory, and that the deceased had taken violent exercise after the time it was alleged to the attack was made upon him, that was altogether inconsistent with broken ribs.

The MARBLE HALL

MARBLE HALL

The prosecutors thought, out of an abundance of caution, they would have the body exhumed,

That is very cold comfort. This support of principle without success doesn't pay; and the brethren are not satisfied. They were after success too, and the said Greeley knows it, and don't desire to be comforted with the reflection don't desire to be comforted with the reflection don't desire to be comforted principle. It is noor combined as a poor combined with the reflection disease was pleuro-pneumonia; and there were disease was pleuro-pneumonia; and there were disease was pleuro-pneumonia; and there were fort to tell a politician that he is right—that he has supported principle—after he has failed.

Of course, there will be no indictment found He will be apt to think as Brutus exclaimed, against the defendants, and Stone, who fled, when all was lost : " Oh ! Virtue, I have wor- will doubtless very soon "turn up." shiped thee as a goddess; but thou art a shadow." Politicians-particularly Illinois Republicans—can't be consoled by any flattery of their virtue; they can't live on it; it does not bring offices nor pelf. They would like to barter away all the principle for their success, if they could do so privately. The best of them would prefer a mixture—a little principle and

morning to the Report of the President of the of an instrument indued with the de-Southern Pacific Railroad. The stockholders licious tones of a higher and holier owe him a great deal for his skill and energy power. Awakened to soul-thrilling muin upholding their interests, and they will give sic, by the benignant hand of a supernal Being, this Report a careful perusal. Nothing now is is now merrily gliding over the romantic hills wanted but the money, to recover the road and and far-stretched dales of our "well, true and wanted but the money, to recover the road and another streethed dates of our west, true and protect their own interests. The amount is tried" member of the Federal Empire, extirpation of the real Empire, extirpation of the trifling, compared with the value of the road ting the virulent offspring of summer's turbil RESTAURANT, BILLIARD, AND REFRESHMENT and its franchises. There is no time, and no current of pollution, through the efficacy of its hoary association, matured by the comforting reason for delay now in raising the means; for touch of welcome November; verifying the

On and after Monday, July 12, 1000, walls on the Jeffersonville Railroad will leave Jeffersonville, opposite Louisville, at 6:30 a. m., 10:50 a. m., and 10 r. m., daily, Sundays ex-Glose connections made by the 10:50 A. M. and 10 r. m. trains at Seymour, with trains on the Ohio and Mississippi R. R., for St. Louis, Mound City, Cairo, Jefferson City, Kansas, Quincy, and Keokuk.

The 6:30 A. M. and 10 P. M. trains run through to Indianapolis, and form close con-nections with trains on the Terra Haute, Lafayette, Peru, Bellefontaine, and Indiana Central Railroads, for all the principal cities in the East, West, and North. The 6:30 a. m., 10:50 a. m. and 10 p. m.

The 6:30 a. m., 10:50 a. m. and 10 P. M.
Ains connect at Seymour with trains on the bits and Marketing Pails of the Circumstille.

MASONIC TEMPLE,
Are Sole Agents for these Celebrated Instru-Ohio and Mississippi Railroad for Cincinnati.
The 10 r. m. train on Saturdays only goes to Seymour, where connections are made for Cincinnati and St. Louis.

One train on Sunday, at 10 P. M., running through to Indianapolis, connecting at Seymour for St. Louis and Cairo, also Cincinnati and the East, and at Indianapolis for the principal cities East, West, and North. Only one change of cars between Louisville

ad Cincinnati, St. Louis or Chicago. Baggage checked to all the principal cities. All changes of cars made by trains running nto the same depots, thereby avoiding annoying Omnibus rides incidental to other routes eading from Louisville to the West and Northone day in advance, of ALFRED N. GILBERT. Treasurer.

any other route. Through tickets and further information Louisville, hy., or at the depot in Jefferson-

MATRIMONY LOOKING UP .- One of the best signs, that the panic is over, and the public confidence returning, is the fact, that marriages are on the increase. Every day a large list is announced in the daily papers; while at the same time last year, scarce one was to be seen from the com rencement to the end of a week.

J. M. Armstrong, the great clothier, has contributed as much as any other individual in this section in bringing about this very happy re-sult. His styles of clothing are so very clegant, that it is next to an impossibility for a gentleman to appear on the street in one of his suits, without attracting the attention of every MISS BERTHA SCHEIDLER lady he meets. His store is on the corner of suits, without attracting the attention of every Fourth and Main streets, opposite the National

Glance at the World. Pittsburg, Nov. 25 .- The centennial anni

reary was observed with the greatest enthus iasm, business being entirely suspended. The procession was the Lrgest, most gorgeous and imposing that ever paraded our streets, and was one hour and a quarter in passing a given point. It consisted of various military com-panies of the city and neighborhood, revolutionary and soldiers of the war of 1812, the Mayor and other officials of the city and county, various trades, represented by large numbers of operatives with appropriate ban No. 539 MAIN STREET,
AND
FAILDS & HUBBER

Ters, cmblems and devices, Firemen, Odd
Fellows, Turners, Benevoient, Literary and other civic societies. A large number of strangers were present, including some prominent public men from a distance. Addresses were delivered in the afternoon by Hon. A. W. Loomis, William Wilkins and others, at Duqueene depot of Pennsylvania Railroad, which is located on the site of old Fort Duquesue. Sole Agents for Kentucky and Indiana.

WASHINGTON, Nov. 26 .- Conflicting reports have been published, concerning the object of the recent departure of Judge Roe and Ben McCulloch, of Texas, for Sonora. The truth is, the former has been appointed Consul at Guaymas, and the latter accompanies him on business concerning himself, and in no manner onnected with this government.

Information has reached Washington in such a form as to place this fact beyond question, that a large number of Mexicans residing in

ister, concerning the object of that Government in sending an armed force against Mexico, although a private interview with him was requested by Cass, on, it is supposed, that The financial report of the Secretary of the

Treasury is now completed. The balance in the Treasury on Monday amounted to 6,060,000 dollars. The receipts of the week, ending that day to \$447,000. Drafts paid \$1,175,000. Drafts issued \$1,560,-The reduction for the last week amounts

NEW ORLEANS, November 26 .- The Steame A SSISTED BY HER MOTHER of the 21st. Three Spanish and two French war vessels anchored off Saerificio. Admiral Renaud was daily expected with the rest of the French squadron. General Trejos surrendered Perote on the 16th, being reduced to starvation. The remnant of his troops arrived at Vera Cruz. City of Mexico, 18th.—General Maramon arrived. The Liberals occupied Lacaticas. Tuluonga was levying contributions to repair the fortifications. The Liberals elsewhere, had been successful. Juarez republishes his proclamation against Tuluoaga.

ST. Louis, November 26 .- Attorney General Wilson passed South Pass ou the 28th of October. The weather was severe, and large numbers of eattle were dying on the road. The mail for Salt Lake was packed through in cousequence of heavy snow.

St. Louis, November 26. - The trotting match yesterday, on Abbey Course, between Flora Temple and Reindeer, for \$1000, mile hears, three best in five; the race was given to Reindeer, in consequence of a collision in he second heat, which the judges decided that the result was foul driving on the part of Flora's driver. Washington, November 26 .- New Orleans

ingham, of Salem.

MONTPELIER, VT., Nov. 26th .- The Vermont Legislature edjourned this morning. No ap- the present; for, since the introduction of reopriation has been made for completing the State Capitol, the House having refused to bill for that purpose.

NEAT POND SETTLEMENT

Farm, within one hour's drive of the arms, and highly in proved acres of Land, on the Nashville Railroad, 15 roun the city, and very finally income.

communication between the Atlantic and Pacific oceans, by railway, as the first paramount duty of our government.

Well did Senator Douglas, in his speech of April 17th, last, say: "I believe it is a great in the same disposition, and a few of them national measure. I believe it is the greatest practical measure before the country. I believe that we have arrived at that period in our history when our great substantial interests require it. The interests of commerce—the great interests of travel and communication—those still greater interests that bind the Union.

Action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of a compromise was action at law, the subject of spection by the stockholder than a mere loan of fifty cents per share, yet this does not meet the evigency. The deficit of \$327,000 must be of the "new company" appeared then to entertain the same disposition, and a few of them on the every citizen of prominence. Some members of the "new company" appeared then to entertain the same disposition, and a few of them on the every citizen of prominence. Some members of the "new company" appeared then to entertain the same disposition, and a few of them on the every citizen of prominence. Some members of the event specific of \$327,000 must be on the event of \$327,000 must be on the stockholder than a mere loan of fifty cents per share, yet this does not meet the every citizen of prominence. Some members of the event specific of \$327,000 must be on the stockholder than a mere loan of fifty cents per share, yet this does not meet the every citizen of prominence. Some members of the event specific of \$327,000 must be on the event per share, yet this does not meet the category. The deficit of \$327,000 must be on the stockholder than a mere loan of fifty cents p those still greater interests that bind the Union together, and are to make and preserve the continent as one and indivisible—all demand that this road shall be commenced, prosecuted which has been effected, in view of the exist-holders will protect their rights, all immediate ded by opposing interests, and threatened with the doption together, and are to make and preserve the continent as one and indivisible—all demand that this road shall be commenced, prosecuted which has been effected, in view of the exist-holders will protect their rights, all immediate

expenditures must be greater than when after-wards others following in their route are easily supplied. Take, for instance, the route of the Illinois Central road; before their construction of it had begun, their expenses amounted to \$2,600,000, or thereabouts. Ours, through In dian tribes, only came to about \$3,100,000; yet the survey was of much greater extent. One dollar then expended was of necessity of the importance that a few cents now could possibly Our situation now requires strict econom and watchful care.

In your present action, caution is urged up? so, coo you to select officers and agents capable, prompt and energetic, and, as far as possible from the working men of the country. every effort of mind will be wanted. Their capacity and endurance will be indispensable. The previous difficulties of the company, to which I have alluded, clearly indicate the nemeans whereby this immediate deht may be extinguished. If the sum of \$200,000 be of the payments named in the compromise room means, now tied up, as will complete the payment required. It, in your judgment, a doubt tween the State of Texas and your company, irrespective of any dependence upon legal rights. remains, it is sincerely trusted your interest, irrespective of any dependence upon legal rights. your energy and your united wisdom, will plan I have assurances from the people of Texas, of 6 your energy and your united wisdom, will plan out and mature immediate means. If this every position in society, even the highest in quired. amount be raised, and your property extricated from all embarrasement, the State loan granted you, upon the first and second sections of your rights at every point, I caused to be prewenty-five miles each, will, it is believed, ac- pared by eminent counsel their professional complish the completion of the next section of twenty five miles of your road, giving the complete twenty five miles of your road, giving the complete twenty five miles of your road, giving the complete twenty five miles of your favor.

Reflection would indicate some important 1. There is a route from neuropus of the having privileges similar to, but not interfering with, our own. Common interest must and will, doubtless, concentrate all the benefits of will, doubtless, concentrate all the benefits of 45 acres of Land, the niles south of Elizabeth-lown, Ky, and near the radical and tumpike—finely improved a dwill sell cheap.

45 acres of Land, the niles south of Elizabeth-lown, Ky, and no niles from New Haven, Ky, and on the mediately on the railroad. Price \$1,200-cash.

AND PRESERVES.

They are using none but the best of majorials, and are giving it their closest attention, determined that no foreign article shall compete with them. Mr. Coughlin will be in market every day, and it can be had at any time at their factory, next door to Wallstreet Bakery.

They do not be a supported by the street Bakery.

The doles and Steamboats can have it delivered free of charge. Louisville Trunk Emporium,

some and disgusing disease of smallpox is preventable, says the London Times, but every No. 480 Market Street, bet. Third and Fourth, LOUISVILLE, KY. THE SUBSCRIBER BEGS LEAVE to the expediency, nay, the necessity, of enforcto lnform his friends and the pubgenerally that he is now mannfacing every description of Hard and
e-Leather Trunks, Bonnet Boxes,
likes, Carpet Bags, &c., &c., which he will sell at
lowest prices. Trunks, Carpet Hags, and Valises
de to order at short notice. Repairing done with
patch ing among the lower orders of the people the beneficent practice of vaccination. Dr. Green. 1848 to 1856) killed 41, 290 persons, or 4,587 a year. As some prejudice exists, even among professedly "educated" persons, against the efficacy of Dr. Jenner's immortal "patent," so in liled spatch order as spatch orders from the trade, either for Traveling or Pack-12g Trunks, &c., respectfully solicited and promptly lled. EDWARD NEWART, note dem to speak, for the prevention of the pestilence, we shall do well to quote the evidence of the

W. S. KNOTT,

report before us. It is to the effect that "there is no difference of opinion among competent wealth, and power and glory—it is the great measure of the age."

Has not the present administration, too, asticipated your action, in its last message to confirmed your views, by the present advantages and facilities afforded to Mr. Butterfield's overland mail route, which traverses your proposed line of road through Fort Belknap to El Paso and onwards? And what did not the able report of the Hon. Postmaster General, Aaron V. Brown, represent?

The clearness of his foresight has been fully instified by the result.

Attention from you, by your committees, or otherwise in the great other message to otherwise. In thus presenting them to your consideration to otherwise in our future management, and even our or of the deaths from small of t er of Silver-Plated Ware; plain
